

# **Paradise Park Committee**

**Effective January 11, 2017**

## **Authority**

The River Park Committee (Committee) is granted authority by the Boards of the Paradise Valley Property Owners Association and the Paradise Hills Area Residents Association to assist in the management of Paradise Park, which include consideration of the goals outlined in the Paradise Park Maintenance Guidelines, as well as any supplemental guidelines provided by the Board.

## **Volunteer Efforts**

With limited funds to maintain the Park, the Associations have historically and plan to continue to rely on volunteer efforts of its members.

## **Committee Responsibilities**

The Committee's delegated responsibilities include:

1. Oversee the normal, routine volunteer Park maintenance activities of riverfront property owners
2. Provide leadership on special projects that may need to be performed - either through coordinated volunteer efforts or procured services/products
3. Assist in the establishment and monitoring of maintenance guidelines in the Park, subject to Board approval
4. Assist in the establishment and monitoring of Park rules, subject to Board approval
5. Advise the Board on situations that rise to the level of requiring Board involvement, particularly for matters that require funding
6. Advise the Board if member issues are not satisfactorily resolved at the Committee level

## **Committee Structure**

The members of the committee will be selected by the Board. This will include the Hill Association as they wish to be involved.
